“ I just would like to say thank you for always making me feel welcomed and loved! I remember being a little girl and being nervous to be around my Fathers side but u always made that feeling go away! You were so sweet and kind hearted to me. A beautiful soul Thanks for taking me to church with u as well. I probably would have never gone if it wasn't for u. I pray for everyone you left behind May you RIP Tia Corina...

“ Where do I even start this off... grandma , you always been there for me , my brothers and my sisters. I still can't accept the fact that you're gone, forever. I will never get to hear your voice again and it truly hurts. But , I got to accept the fact that you aren't hurting anymore and you're with all the angles up there. Things will never be the same without you . You're truly missed grandma. You're forever going to be in my heart . I'm gonna make you proud grandma I promise. I promise to take care of my nieces and nephew for you . I love you forever grandma. LONG LIVE MY GRANDMA

“ I'm going to miss you grandma. It hurts to know that you didn't get to meet all your great grand babies and that they won't be able to share all the memories that we have. I wish we could have done everything we wanted to do together and shared more time. My heart is so full of love for you and I'm at peace knowing that you're with my dad Jesse, your grandson Jesse Jr, and your great grandson Hero. I know that you missed them and I also know that you will always be in our hearts and watching over our big beautiful crazy family. I'm so blessed to have had you as my grandma. I hope you are in peace
