“ Larry and I go way back to the days when there was actually an Air Force base in Lubbock. He was a fine man and a good friend. I know he'll be dearly missed. Rest in Peace, good friend. Your journey is over and it's time to rest. I hope I'm lucky enough to see you again someday.

“ Thank you Darrell, when I first moved to Post and told him I had you to help me if I needed anything he was very happy to know that. I cannot believe it has been a month today since he has been gone. Thank you for being such a wonderful person my dad was lucky to have known you.

“ Larry was a very special nephew. We spent time with him at Astro Superbowl weekly for league bowling. I have been his Aunt Carolyn since he was a teenager, but my husband Steve only knew him for the last several years. But Uncle Steve got to know Larry quickly, and was very happy about their relationship. Larry was so cute when he came in on Thursday night bowling, as Larry would find us by yelling out "Uncle Steve--Uncle Steve" sometimes 10 to 12 lanes down & come to give us our weekly hug. We will never forget him & always cherish his feelings of respect & love toward us. Love Aunt Carolyn & Uncle Steve

“ My dad had come to Bryan, Tx before his passing and we had to opportunity to go to Christmas in the Park, I know he enjoyed it and I will always cherish the time I got to spend with him since I did not get to see him too often. He will always be in my heart and my thoughts and I will miss him everyday for the rest of my life.
